FOR IMMEDIATE RELEASE**EAST TENNESSEE AUTHOR ENTERTAINS WITH QUIRKY VOLUME OF IMAGINATIVE TALES**

The new book enlightens readers with everything they need to know but would rather not.

[SEYMOUR, TN, May x, 2023] --- Tom Garber's newly released book, CHRONICLES OF THE WISE OLD CHICKEN, transports readers to an alternate reality where the main character, Wise Old Chicken, offers witty advice and cryptic solutions for the other characters as they struggle within various circumstances. Each tale allows the reader to comprehend it as they wish, either at face value or by pondering how the rooster's advice may apply to the real world.

After the author's son survived a near-fatal car accident five years ago, the father and son duo listened to audio tapes of classic fables as they drove back and forth to Nashville for treatments. Tom began creating the main character for "Chronicles of the Wise Old Chicken" during this time. Wise Old Chicken was born of Garber's outlandish imagination. Readers will wince and smirk simultaneously at the rooster's cantankerous spirit as he pops in and out of perplexing situations. "Chronicles of the Wise Old Chicken" is a book to be enjoyed by everyone, whether they like it or not.

In "Chronicles of the Wise Old Chicken," the Wise Old Chicken adds another layer to the classic question, "When a tree falls in the forest and nobody is around, does the falling tree make a noise?" Tom uses nature and animals to relay his antics, which have proved to be especially enchanting to local readers in the Smoky Mountains.

After living in dozens of states and internationally, the author has resided for the last 40 years with his wife, Anna, in Seymour, TN. Paperbacks and Kindle versions of "Chronicles of the Wise Old Chicken" may be purchased on Amazon or by visiting <https://chickensht.com/>. About the Author:

TOM GARBER has been a structural engineer, newspaper reporter, farmer, single-engine pilot, and plant manager. Until retiring, he owned a factory that produced and sold thousands of wood spiral stairs nationwide. Today, Tom lives with his wife of fifty-plus years in Seymour, Tennessee, where he enjoys letting his vivid and quirky imagination roam.
